

ALARM SOUNDER SOINT

SG1250

PROFI LINE®

Specifications

Protection type IP54

Emergency power supply No

Temperature range -10 to +50°C

Light type LED

Operating voltage 12 V DC

Alarm power consumption 300mA

Dimensions 155 x 100 x 48

Volume 110 dB

Standby battery No

Tamper monitoring Wall/cover

Flashing frequency -

Standby power consumption 33 mA

Power consumption 3.6W
