

## L-W22C

LED 

The text 'LED' is followed by a small icon consisting of three colored circles (red, green, blue) arranged in a slight arc.

This 21.5" Full HD widescreen display with HDMI input and built-in speakers is a valuable choice for use in either a home or business setting.

The L-W22C is an LED-backlit display that comes with a widescreen 21.5" energy-saving backlit panel and offers 1920x1080 Full HD resolution. The display delivers crystal-clear images due to the 30,000,000:1 dynamic contrast ratio and well colour performance and colour contrast. A slim housing that includes built-in speakers and a glossy black bezel complemented by a matte black rear highlights the display's sleek design.

- > 21.5" widescreen LED-backlit display
- > LED backlight for energy saving and environmental consciousness
- > 1920 x 1080 Full HD resolution
