

User-friendly surveillance at a budget-friendly price

Quick & Easy Installation

- 1 Install cameras
- 2 Connect them to the NVR
- 3 Power up the NVR

- A complete "all-in-one" IP video solution
- Plug-and-Play camera auto-configuration
- Built-in PoE switch to power cameras
- HD performance at an analog system price

Introducing the New TruVision® NVR 10 and Megapixel Camera Kits

Ideal for small retail stores, medical offices, gas stations and residential applications, the TruVision® NVR 10 IP video kit provides a complete, cost-effective surveillance solution that's also incredibly easy to install.

Available in 4 and 8-channel configurations, each kit includes four TruVision cameras with no IP configuration or programming required. Simply install the cameras, connect to the built-in PoE switch and power on the NVR to start recording. Manage multiple recorders with license-free TruVision Navigator VMS software and view cameras on-the-go with the free TVRmobile app.

NVR Features

- Easy front panel direct channel selection
- Monitor/Mouse ports – No PC required
- Continuous, motion or scheduled recording modes
- Event recording
- One-push Archive button to USB drive
- Up to 8 built-in PoE ports
- 20 or 40Mbps bandwidth
- 1 or 2TB of storage

Camera Features

- 1.3MPx resolution
- H.264 compression
- DWDR
- True day/night
- Indoor/Outdoor - IP66 rated
- PoE/12VDC
- Supports PSIA and ONVIF open standards

Video Software

- TruVision Navigator
- TVRmobile HD App
- TruVision Device Finder
